

## Awards

2024	Prix Régional de la Construction Bois in the region Ile-de-France special mention "Technical Masterpiece": Olympic Aquatics Center, Paris 2024, Saint Denis, France	2022	2022 IABSE Award for Innovation in Construction Stadium 974, Doha, Qatar
2023	BIM AWARD 2023 1st prize in the category INFRASTRUCTURE: Footbridge Mühlensteg, Besigheim, Germany 2nd prize in the category BIM GOES GREEN: Stadium 974, Doha, Qatar	2022	2022 IABSE Award for Pedestrian and Cycle Bridges Hemei Bridge (Xiamen Mountains to Sea Trail), Xiamen, China
2023	2023 Edmonton Urban Design Awards Urban Design Plans, Award of Excellence: 100 Street Pedestrian Bridge, Edmonton, Canada	2022	Auszeichnung für Beispielhaftes Bauen National Park Center Ruhenstein, Baiersbronn, Germany
2023	NCSEA Structural Engineering Excellence Awards category New Bridge and Transportation Structures: Port Lands Bridges, Toronto, Canada	2022	Deutscher Ingenieurbaupreis 2022 winner: Tram bridge crossing highway A8, Stuttgart, Germany
2023	Deutscher Brückenbaupreis 2023 category road and railway bridges: Tram bridge crossing highway A8, Stuttgart, Germany	2022	ACHE Engineering Award category Building Structure: Stadium Wanda Metropolitan, Madrid, Spain
2023	2023 SEAoNY Structural Engineering Excellence Award category Other Structures: Port Lands Bridges, Toronto, Canada	2021	Excellent Engineering and Consulting Award 1st prize for Excellent Architectural Design: Silk Road International Conference Center Xi'an, China Suzhou Sports Center, Suzhou, China Asian Infrastructure Investment Bank (AIIB), Beijing, China
2022	2022 Best of Practice Award - The Architect's Newspaper Winner in the category Structural Engineer - Northeast	2021	Excellent Engineering and Consulting Award 2nd prize for Excellent Architectural Design: Silk Road International Exhibition Center Xi'an, China
2022	Steel Excellence Award 2022 National Winner in the category Building Large Projects: Allianz Stadium, Sydney, Australia	2021	Excellent Engineering and Consulting Award 3rd prize for Excellent Architectural Design: Nanjing Financial City, Nanjing, China Hongdao International Convention and Exhibition Center, Qingdao, China
2022	2022 China Design Excellence Award of the American Institute of Architects (AIA) Shanghai Chapter Honor Award for Shanghai Library East, Shanghai, China	2021	ECCS European Steel Design Award 2021 Outstanding Steel Construction: Elbbrücken local railway station and Metro Station Elbbrücken, Hamburg, Germany
2022	2022 CISC Awards for Excellence in Steel Construction Winner in categories Bridge Projects, Favorite Projects & Erection, Ingenuity, Constructability: Port Lands Bridges, Toronto, Canada	2021	National Council of Structural Engineers Associations (NCSEA) 2021 Excellence in Structural Engineering Award in the category Other Structures: Moynihan Train Hall, New York City, New York, USA
2022	2022 Winner NSW & ACT Steel Excellence Awards - Buildings Large Projects: Allianz Stadium, Sydney, Australia	2021	National Council of Structural Engineers Associations (NCSEA) 2021 Excellence in Structural Engineering Award in the category New Bridges/Transportation Structures: Footbridge Seattle-Tacoma International Airport, Seattle, Washington, USA
2022	Winner 2022 Structural Awards Award for research informed innovation of novel high-performance materials: Tram bridge crossing highway A8, Stuttgart, Germany	2021	2021 ENR New York Awards Best Project in the category airport/transit and Award of Merit in the category sustainability: Moynihan Train Hall, New York City, New York, USA

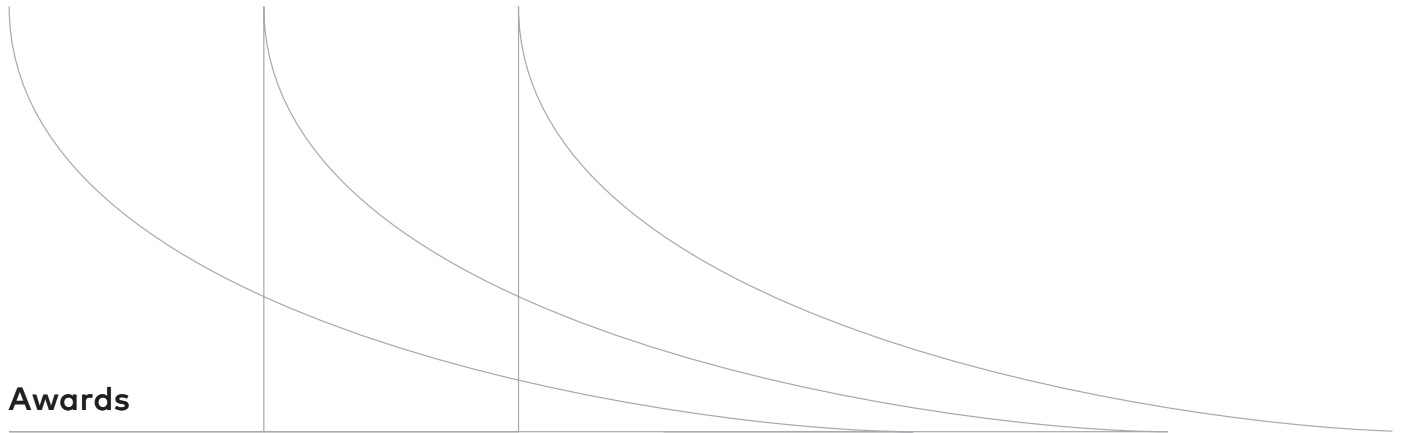

## Awards

2021	Urban Land Institute, New York 2021 Award for Excellence in the category Civic Development: Moynihan Train Hall, New York City, New York, USA	Station Elbbrücken, Hamburg, Germany
2021	National Trust for Historic Preservation 2021 Richard H. Driehaus Foundation National Preservation Awards: Moynihan Train Hall, New York City, New York, USA	2020 Commendation "20 Jahre Symposium Brückenbau in Leipzig": Railway Bridge across the Aller river near Verden, Germany
2021	Grand Prix National de l'Ingénierie 2021 Olympic Aquatics Centre, Paris 2024, Saint Denis, France	2020 Commendation "20 Jahre Symposium Brückenbau in Leipzig": Road Bridge "Rotes Steigle" across Highway A8, Germany
2021	Iconic Awards 2021: Innovative Architecture Best of the Best Award, category Communication: multilayered - konstruktive Vielfalt, Publication 2019 in cooperation with Moniteurs Kommunikationsdesign	2020 Solar Impulse Efficient Solution Label of the Solar Impulse Foundation: Stello Heliostat
2021	WTC World Pedestrian Bridge Award of 2021 Silver Award for Footbridge TRUMPF, Ditzingen, Germany, and Hemei Bridge (Xiamen Mountains to Sea Trail), Xiamen, China	2020 Deutscher Ingenieurbaupreis 2020 commendation: Metro Station Elbbrücken, Hamburg, Germany
2021	Lucy G. Moses Preservation Award of The New York Landmarks Conservancy Moynihan Train Hall, New York City, New York, USA	2020 2020 NYCxDESIGN Award winner of category Building Facade: Nordstrom Flagship Podium Facade, New York City, New York, USA
2021	CTBUH Awards Best Tall Building under 100 meters 2021, Award of Excellence; CTBUH Awards, Best Tall Office Building 2021, Award of Excellence; CTBUH Awards, Best Tall Building Asia 2021, Winner: Asian Infrastructure Investment Bank (AIIB), Beijing, China	2020 German Design Award 2020 winner of category Excellent Architecture: Black Sea Arena, Batumi, Georgia
2020	Footbridge Awards 2020 Winner of the category "Short span": Footbridge TRUMPF, Ditzingen, Germany Winner of the Jonathan Spiers Lighting Award 2020: Bridges in Riedlingen, Germany	2020 Staatspreis Baukultur 2020 honorary mention in the category Building for education and research: University Campus III Heilbronn, Germany
2020	Ingenieurbaupreis des Deutschen Stahlbaues 2020 Winner: Metro Station Elbbrücken, Hamburg, Germany honorary mentions: Footbridge TRUMPF, Ditzingen, Germany and Tottenham Hotspur Stadium, London, Great Britain	2019 CTBUH Awards Façade Engineering Award 2019 Award of Excellence: 30 Hudson Yards - Observation Deck 'Edge', New York City, NY, USA
2020	Deutscher Brückenbaupreis 2020 category Pedestrian and Cycle Bridges: Footbridge TRUMPF, Ditzingen, Germany	2019 Prix d'Architecture en zone sismique 2019 by Association Française du Génie Parasismique (AFPS) Special Mention: New hall for the Exhibition Center in Bordeaux-Lac, France
2020	Quality Label "Innovative through research" 2020/2021 distinction by Stifterverband für die Deutsche Wissenschaft e.V. for the special dedication for research and development of sbp sonne gmbh	2019 Society of American Registered Architects (SARA) National Design Award Design Award of Merit: Harvard Business School Schwartz Pavilion, Boston, Massachusetts, USA
2020	BDA Hamburg Architektur Preis 2020 1st prize rank: Elbbrücken local railway station and Metro	2019 Society of American Registered Architects New York (SARA NY) Design Award of Honor: Harvard Business School Schwartz Pavilion, Boston, Massachusetts, USA
		2019 AIA New York State Honor Award: Harvard Business School Schwartz Pavilion, Boston, Massachusetts, USA
		2019 Structural Awards 2019 Supreme Award for Structural Engineering Excellence and Award for Long Span Structures: Tottenham Hotspur Stadium, London, Great Britain

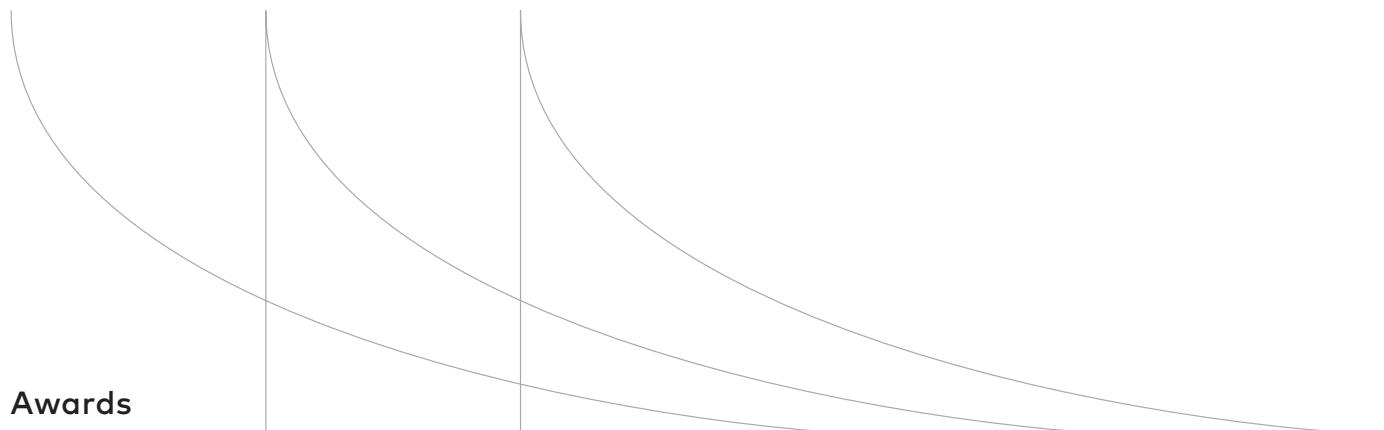

## Awards

2019	2019 Structural Steel Design Awards one of five Awards, and Project of the Year: Tottenham Hotspur Stadium, London, Great Britain	Pavilion Cast & Place, New York City, New York, USA
2019	Prix Régional de la Construction Bois en Pays de la Loire winner of category Aménagement (transportation): Footbridge Laval, France	2018 CSP Plaza Award 2018 Globalization Contribution Award: for the outstanding contribution to the globalization of CSP (Concentrated Solar Power)
2019	2019 Toronto Urban Design Awards Award of Merit, category Special Jury Award for Catalytic Infrastructure: Port Lands Bridges, Toronto, Canada (incl. Port Lands Flood Protection & Enabling Infrastructure Project (PLFPEIP) - Bridge Design and Engineering)	2018 Deutscher Ingenieurbaupreis 2018 commendation: Road Bridge "Rotes Steigle" across Highway A8, Stuttgart, Germany
2019	2019 SEAoNY Excellence in Structural Engineering category Other Structures: 20 Hudson Yards - Art Wall, New York City, USA	2018 Deutscher Brückenbaupreis 2018 category highway and railway bridges: Bleichinsel Bridge Heilbronn, Germany
2019	materialPREIS 2019 category material, 1. award: Footbridge TRUMPF, Ditzingen, Germany	2017 Mejor Obra Pública (Best Public Work) 2017 by Colegio de Ingenieros de Caminos, Canales y Puertos de Madrid: Stadium Wanda Metropolitano, Madrid, Spain
2019	IALD International Lighting Design Award 2019 Award of Excellence: Bridges in Riedlingen, Germany (one road bridge and two footbridges)	2017 WAFX Prize 2017 category Building Technology: Energy and Future Storage Tower, Heidelberg, Germany
2019	Deutscher Lichtdesign-Preis 2019 category Exterior Lighting / Staging: Bridges in Riedlingen, Germany (one road bridge and two footbridges)	2017 Footbridge Awards 2017 category medium span, joint winner: Weinbergbrücke - Federal Garden Show 2015 Havel Region, Rathenow, Germany
2019	Ulrich Finsterwalder Ingenieurbaupreis 2019 commendation: Footbridge TRUMPF, Ditzingen, Germany	2017 CSP Plaza Award 2017 Technology Innovation Award: Stellio Heliostat first CSP award ever in China
2019	Ingenieurpreis des Deutschen Stahlbaues 2019 category buildings, award: Glass roof Capital Land Suzhou (Jinji Lake), Suzhou, China	2017 Ingenieurpreis des Deutschen Stahlbaues 2017 category bridges, winner: Railway Bridge across the Aller river near Verden, Germany; commendation: Passerelle de la Paix, Lyon, France
2019	Ingenieurpreis des Deutschen Stahlbaues 2019 category bridges, award: Getwingbrücke Zermatt, Switzerland	2017 AIA New York State Award of Citation: Duke University West Union Bridge, Durham, North Carolina, USA
2019	German Design Award 2019 Special Mention: Schierker Feuerstein Arena, Schierke, Germany	2016 AIA North Carolina Honor Award: Duke University West Union Bridge, Durham, North Carolina, USA
2018	Bauwerk des Jahres 2018 ("Building of the year") of AIV Hamburg: Metro Station Elbbrücken, Hamburg, Germany	2016 Ulrich Finsterwalder Ingenieurbaupreis 2017 commendation: Tram Stop at Berlin Main Train Station, Germany
2018	Stahl-Innovationspreis 2018 category Stahl im Bauwesen, 1st prize: Metro Station Elbbrücken, Hamburg, Germany	2016 Stadium of the Year Competition 2016 2. Position of Public Vote: Stadium FK Krasnodar, Russia 3. Position of Jury Vote: Stadium FK Krasnodar, Russia
2018	2018 NYCxDESIGN Award category outdoor/urban landscape, honoree: City of Dreams
